A timebank is a way for people to share skills with others in their community and be rewarded for it, in time!

For every hour of time you give providing a service for another participant, you receive one time credit. Everyone attending the skills week will gain time that they can use as a member of the timebank.

Not a Timebank Member? No problem!

You can sign up to the timebank if you are not already a member whenever you like, and there is no cost! All you have to do is fill out a short application form and one of our Co-ordinators will be there to give you a hand! For more information please contact Laura Henshaw tel: 01706 515805 or email treeoftimerochdale@gmail.com
